Terms & Conditions

1. At all times the safety and welfare of all road users is paramount. Any student deemed by school management (Principal and/or Deputy Principal) to be driving in a way that is a danger to others or that is unsafe will have their parking permit removed and will not be permitted to drive a car on school property at any time.
2. Student cars must be parked in the designated parking area in front of the school church.
3. Other student may travel as passengers in a car driven by a student only where school management has received a letter from both of these students' parent/guardians confirming that this is acceptable to them.
4. A valid parking permit must be displayed at all times on the windscreen of the vehicle driven by a student. Vehicles failing to display such a permit may not park on school property.
5. The above terms & conditions apply at all times including before and after school, at weekends and normal school time.
6. A photocopy of the students license and insurance policy must accompany this form.
7. All permits must be applied for in advance of a student parking a vehicle on school property.
8. Permits will not be issued to 'learner permit' drivers.
