### **2. Characteristic spirit and general objectives of the school**

St. Munchin's College is a Diocesan Voluntary Catholic Secondary School for boys only with a Catholic ethos under the patronage of the Bishop of Limerick.

"Catholic Ethos" in the context of a Catholic voluntary secondary school means the ethos and characteristic spirit of the Roman Catholic Church which aims to promote:

- (a) the full and harmonious development of all aspects of the person, including the intellectual, physical, cultural, moral and spiritual aspects; and
- (b) a living relationship with God and with other people; and

(c) a philosophy of life inspired by belief in God and in the life, death and resurrection of Jesus; and

(d) the formation of the pupils in the Catholic faith

and which school provides religious education in accordance with the doctrines, practices and traditions of the Roman Catholic Church, and/or such ethos and/or characteristic spirit as may be determined or interpreted from time to time by the Irish Episcopal Conference.

In accordance with S.15 (2) (b) of the Education Act, 1998, the Board of Management of St. Munchin's College shall uphold, and be accountable to the patron for so upholding, the characteristic spirit of the school as determined by the cultural, educational, moral, religious, social, linguistic and spiritual values and traditions which inform and are characteristic of the objectives and conduct of the school.

Catholic education is therefore a lifelong process of human growth and development which has been at the heart of the Church's mission since Jesus Christ urged his disciples to 'go teach all nations'. The person of Christ is the core of Catholic education.

The College motto—'*Veritas in Caritate*'—is taken from the Letter of St. Paul to the Ephesians:

*'If we live by the truth and in love, we shall grow in all ways'*

St. Munchin's College is a caring community, sharing the Christian ideal, endeavoring to create and sustain an environment through which each of our students can grow in all ways—aesthetically, emotionally, intellectually, morally, physically, socially and spiritually.

Staff, students and parents, in partnership, actively promotes an atmosphere that protects and respects the dignity and self-esteem of each individual.

By creating an environment which is favourable to learning, respects the dignity of each individual and actively promotes his self-esteem, an environment which is committed to a just and equitable treatment for all, the College tries to ensure that its students are given an education and a value system which will enable them to become responsible members of a rapidly changing society.

St. Munchin's College aims to be true to its tradition and open to new expressions of that tradition.

The founding intention in 1796 centred around preparing students to study as seminaries for the Diocese. This tradition has evolved so that the College is now mindful of its role in forming leadership for the local church and wider community. St. Munchin's College intends to enable young people to be leaders – lay and ordained - in the community of faith in the Diocese of Limerick and beyond. The College wishes to pass on to its students a solid foundation and experience of faith and an understanding of the Diocese and Church in Limerick.

All activities that occur at St. Munchin's College are centred on student learning and development.

This work is organised around 7 key pillars:

**Homework and Study:**

The school provides facilities for afternoon study each day (2 hours after school finishes) and also night study from 7.00 p.m. to 9.30 p.m. These periods are supervised and there is a fee per term.

The school believes that study is an exercise in self-discipline, which must be developed. It involves both written and oral work. It is essential that the students develop the habit of study. The actual

time to be spent on homework and study should be about an hour and half for first-year students, and increasing for each year up to three hours or more for senior students.

The recommended time per day for Homework and Study is:

		<u>At Least</u>
First Years	-	One and a half hours
Second Years	-	Two hours
Third Years	-	Three hours
Fifth Years	-	Three-Four hours
Sixth Years	-	Four hours

There is now an alarming growth in students having part-time jobs. The school wishes to advise parents/guardians that this militates against participation in the overall function of the school, and reduces the effectiveness of the student's classroom involvement. We seek the parent's/guardian's co-operation in trying to solve this serious problem as we feel that, in the long run, it is detrimental to the student's progress.

#### **Students' Council:**

The school has a Students' Council. The Council consists of students elected from each year in the school and the 6<sup>th</sup> year Prefects. The Co-ordinator of the Student Council is a member of the staff. The Students' Council provides a forum through which the students of the school can play a full part in the development of a partnership approach to school life and issues.

#### **Parents' Council:**

The school has an active and vibrant Parents' Council. The Parents' Council aims to promote the educational development of our students and to assist with the various school activities.

The Council meets regularly during the school year, and its AGM is held at the beginning of each academic year. Membership of the Council is voluntary.

#### **5.1.9 Notifying applicants of decisions**

Applicants will be informed in writing as to the decision of the school, within the timeline outlined in the annual Admissions Notice.

If a student is not offered a place in our school, the reasons why they were not offered a place will be communicated in writing to the applicant, including, where applicable, details of the student's ranking against the selection criteria and details of the student's place on the waiting list for the school year concerned.

Applicants will be informed of the right to seek a review/right of appeal of the school's decision (see section 5.1.11 below for further details).

#### **5.1.10 Acceptance of a place**

If the student in respect of whom the application is made is offered a place, the Applicant will be issued with an Acceptance Form by the school. The Applicant shall indicate acceptance of an offer by fully completing and returning the Acceptance Form by the date set out in the School's Admission

Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer. This includes indicating:

- whether or not you have accepted an offer of admission for another school or schools. If you have accepted such an offer, you must also provide details of the offer or offers concerned and
- whether or not you have applied for and awaiting confirmation of an offer of admission from another school or schools, and if so, you must provide details of the other school or schools concerned.

Failure to fully complete and return the Acceptance Form to the school by the date set out in the School's Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer, may result in withdrawal of an offer, in line with the grounds for withdrawal of an offer, as set out below. Applicants should also be aware that failure to disclose this information on the acceptance of a place may lead to an offer being withdrawn by the school.

#### **5.1.11 Refusal**

Where a student in respect of whom an application is being sought has not been offered a school place, the Applicant will be provided in writing with:

- The reasons that the student was not offered a place in St. Munchin's College.
- Details of the student's ranking against the published selection criteria, if the year-group to which the Applicant is applying is oversubscribed.
- Details of the student's place on the waiting list, if applicable.
- Details of the Applicant's right to appeal the decision.

In addition to the conditions for consideration of an application as set out at 4.7 and 4.8 an offer of admission may not be made where: **The information contained in the application is false or misleading in a material respect.**

#### **5.1.12 Withdrawal of an offer**

An offer of admission may be withdrawn where:

- The information contained in the application is false or misleading in a material respect.
- The Applicant fails to confirm acceptance of an offer of admission on or before the date set out in the annual Admission Notice of the school for the academic year for which he is applying, or in the case of a late application, or second/third-round offer, within 2 weeks.
- An Applicant has not indicated:
  - (i) whether or not he has applied for and is awaiting confirmation of an offer from another school(s) and if so, the details of the school(s).
  - (ii) whether or not he has accepted an offer of admission from another school(s) and if so, the details of the offer(s).

If an offer of a place is withdrawn by the school, the student on whose behalf the application was made shall lose his place on the admission list or waiting list for that academic year and any subsequent applications for the same academic year on behalf of that Student shall be treated as a late application in line with section 5.1.7 above.

#### **5.1.13 Appeals**

For information relating to an Applicant's right to appeal a decision of St. Munchin's College regarding admission to the First-Year Group, see section 6.

## **5.2 Admission Provisions (Year Groups other than First-Year Group)**

Where St. Munchin's College is not oversubscribed, all students will be offered a school place, subject to sections 4.7 and 4.8. All applications to the school with the exception of applications to First Year, received within the dates for the receipt of applications published by the school and set out in the schools Admissions Notice, are a matter for the Board of Management of St. Munchin's College. These applications are brought to the Board of Management for their consideration at the next scheduled meeting subsequent to the application being received. Applicants will be informed in writing as to the decision of the school after the Board of Management meeting has taken place. In the case of students wishing to transfer to St. Munchin's College from another second level school, for any reason whatsoever, information concerning the prospective student's attendance record, education progress to date, behaviour record and impact on the learning environment for other students in the classroom will be required.

- The application for admission to St. Munchin's College will be judged in light of this information and subject to a vacancy in a suitable class.
- **Applications will not be accepted from students who are the subject of ongoing disciplinary procedures in another school which includes, but is not confined to, any ongoing statutory procedures in accordance with The Education Act 1998 or The Education (Welfare) Act 2000.**

### **5.2.1 Sharing of Data with other schools**

Applicants should be aware that section 66(6) of the Education (Admission to Schools) Act 2018 allows for the sharing of data between schools in order to facilitate the efficient admission of students. Section 66(6) allows a school to provide a patron or another Board of Management with a list of the students in relation to whom—

- (i) an application for admission to the school has been received,
- (ii) an offer of admission to the school has been made, or
- (iii) an offer of admission to the school has been accepted.

The list may include any or all of the following:

- (i) the date on which an application for admission was received by the school;
- (ii) the date on which an offer of admission was made by the school;
- (iii) the date on which an offer of admission was accepted by an applicant;
- (iv) a student's personal details including his name, address, date of birth and personal public service number (within the meaning of section 262 of the Social Welfare Consolidation Act 2005).

### **5.2.2 Oversubscription**

When the number of applications exceeds the number of places available, the published selection criteria as set out at section 5.2.3 below will apply. A waiting list of students whose applications for admission to St. Munchin's College were unsuccessful due to the school being oversubscribed will be compiled and will remain valid for the school year in which admission is being sought. Placement on the waiting list of St. Munchin's College is in the order of priority assigned to the students' applications after the school has applied the selection criteria in accordance with this Admission Policy.

Where St. Munchin's College is in a position to offer further school places that become available for and during that academic year, places will be offered in accordance with the order of priority in which students have been placed on the waiting list.

For the avoidance of doubt, if a student does not receive a place in the school for a given academic year, but he wishes to be considered for admission to the same year group in the following academic year, a new application must be made on behalf of that Student. There is no period specified for the receipt of applications forms for entry into all Year Groups other than First Year.

Where the school is oversubscribed, any selection criteria that are not included in this Admission Policy shall not be considered in determining whether or not a student is admitted to the school.

### **5.2.3 Selection criteria in order of priority**

St. Munchin's College will apply the following criteria for admission to a Year Group other than First Year:

1. If the student resides in the catchment area;
2. If the student has siblings currently enrolled in the school;
3. If the student has siblings who were previously enrolled in the school;
4. If the student had a parent who previously attended the school (to a maximum of 25% of the places available);

Any selection criteria that are not included in this Admission Policy shall not be considered in determining whether or not an Applicant is admitted.

### **5.2.4 Selection process**

St. Munchin's College will apply the selection process as follows:

Applications are considered against the published selection criteria. Places will be offered in the first instance to those who meet the first criterion. Subsequently, where the school still has places available, the remaining Applicants are considered in light of the second criterion and those Applicants who meet this criterion will be offered a place within the school. This process is continuously carried out until all available places have been offered and accepted.

Where two or more applications are tied in the foregoing selection process, St. Munchin's College will apply a random lottery to assign any available places in the school, or on the waiting list, to those applications.

### **5.2.4 Second/third-round offers of a place**

Where a Student is in receipt of an offer of a place within St. Munchin's College but does not accept the offer or the school withdraws the offer in line with the relevant provisions of this Policy, the place will be offered to the next student on the waiting list in a second-round of offers. This process will continue throughout third and fourth rounds *etc.* until all places within the school have been filled.

### **5.2.5 Notifying applicants of decisions**

Applicants will be informed in writing as to the decision of the school, within the timeline outlined in the Admissions policy.

If a student is not offered a place in our school, the reasons why they were not offered a place will be communicated in writing to the applicant, including, where applicable, details of the student's ranking against the selection criteria and details of the student's place on the waiting list for the school year concerned.

Applicants will be informed of the right to seek a review/right of appeal of the school's decision (see section 6 below for further details).

### **5.2.6 Acceptance of a place**

If the Student in respect of whom the application is made is offered a place, the Applicant will be issued with an Acceptance Form by the school.

The Applicant shall indicate acceptance of an offer by fully completing and returning the Acceptance Form within 2 weeks of issuing by the school. This includes indicating whether or not he has applied for and is awaiting confirmation of an offer of admission from another school.

Failure to fully complete and return the Acceptance Form to the school within 2 weeks of issuing by the school may result in withdrawal of an offer, in line with the grounds for withdrawal of an offer, as set out below.

#### **5.2.7 Refusal**

Where a student in respect of whom an application is being sought has not been offered a school place, the Applicant will be provided in writing with:

- The reasons that the student was not offered a place in St. Munchin's College.
- Details of the student's ranking against the published selection criteria, if the year-group to which the Applicant is applying is oversubscribed.
- Details of the student's place on the waiting list, if applicable.
- Details of the Applicant's right to appeal the decision.

In addition to the conditions for consideration of an application as set out at 4.7 and 4.8 an offer of admission may not be made where: **The information contained in the application is false or misleading in a material respect.**

#### **5.2.8 Withdrawal of an offer**

An offer of admission may be withdrawn where:

- The information contained in the application is false or misleading in a material respect.
- The Applicant fails to confirm acceptance of an offer of admission within 2 weeks of receipt of an offer of a school place.

### **Transition Year Admissions Procedure:**

The Transition Year is a one-year optional programme which comes immediately after completion of the Junior Cycle. Transition Year is a valuable educational experience for students where educational, personal, social and vocational development takes place in the absence of terminal state examinations. ***As it is an optional year, Transition Year students need to be suitable for the programme in order to benefit from and contribute to the shared learning experience of the group.***

The Board of Management of St. Munchin's College wishes to make the Transition Year programme available to students who would like to avail of a sixth year of second level education and who are deemed suitable due to the active and responsible nature of the activities provided during the year. Students should have the Junior Certificate/ Cycle or equivalent completed.

One group of students (the number of places available on the Transition Year Programme shall be determined by the Board of Management on an annual basis, and this will be notified at the TY Information Evening) is selected for the Transition Year programme. The places are allocated on the basis of application and review.

The Board of Management may, at its discretion, reserve a number of places on the Transition Year Programme for students who are applying to join the school.

- To provide an opportunity for students to develop an understanding of how learning occurs generally, and with particular reference to their own learning styles.

## F.A.Q.

### What is Transition Year?

A one year programme taken after the Junior Certificate/Cycle and before the Leaving Certificate Programme.

### What's the purpose of the Transition Year Programme?

To promote maturity:

- Maturity in studies by making students more self-directed learners through the development of general, technical and academic skills
- Maturity in relation to work and careers by developing work-related skills
- Personal maturity by providing opportunities to develop communication skills, self-confidence and a sense of responsibility
- Social maturity by developing greater 'people' skills and more awareness of the world outside school
- Maturity that will help the student make a more informed choice of subject for their Leaving Certificate studies

### **Who decides on the Transition Year Programme?**

Each school devises its own TY programme. The teaching staff draws up a programme in the light of the Transition Year Guidelines and the Resource Material published by the Department of Education and Science. They also consider students' needs, parents' views, employers and the wider interests of the local community. Each year the programme should be evaluated, with inputs from all these parties, and revised by the teaching staff.

### **What subjects are studied?**

This varies from school to school but in every school students follow a timetable as they do in other years. Most programmes work towards getting a balance between some continuation of essential core subjects, a tasting and sampling of other subjects, a variety of distinctive courses designed to broaden students' horizons and some modules and activities specifically aimed at promoting the maturity that is central to the whole Transition Year ideal.

### **Even if all these programmes are different, surely there are some features common to the programme in a lot of schools?**

Many schools offer modules, short courses on particular topics. Most schools offer a work experience programme. Mini-company, where students set up and operate a real business, is a popular way of learning. The use of visiting speakers, as well as trips beyond the classroom, are features of many programmes. Project work, where students undertake independent research, usually more extensive than traditional 'homework', is also common to many programmes.

### **What about exams?**

Assessment is a key part of any worthwhile learning programme. Transition Year is an opportunity to move beyond the narrow focus of end-of-year, written exams. The emphasis is on varied and on-going assessment with students themselves becoming involved in diagnosing their own learning strengths and weaknesses. Project work, portfolio work and exhibitions of students' work are also encouraged. Each individual school makes its own arrangements for reporting to parents and for the certifications of students who complete a TY programme.

### **Can the Transition Year be part of a three-year Leaving Certificate programme?**

The Transition Year programme is a school-designed, distinctive programme and **should not constitute year one of a three-year Leaving Certificate**. TY is part of the Senior Cycle experience and lays a solid foundation for Leaving Certificate studies. TY programmes should challenge students intellectually, give them an orientation to the world of work and cater for the development of their

personal and social awareness. Research has shown that students who take TY achieve, on average, higher points in the Leaving Certificate exam; this is perhaps due to the development of their general study skills as well as the skills required for each individual subject.

### Is Transition Year suited to all students?

With its emphasis on development and maturity, all young people can benefit from the programme. What your son puts into Transition Year is exactly what he will get out of Transition Year. Transition Year, in particular, can allow for the development of an individual's multiple intelligences-linguistic, logico-mathematical, spatial, musical, bodily-kinesthetic, interpersonal, intrapersonal and naturalist. The Transition Year programme can also develop key skills for the 21st century such as the **three Ts: thinking, teamwork and technology**.

### How are parents involved?

Parents' understanding of and support for student learning in TY is a key factor in a successful Transition Year experience. Parents are invited to discuss any ideas they might feel would be beneficial to the Transition Year programme. Parents are encouraged to contribute. Some parents make their particular expertise available to the school during the TYP. Parents are encouraged to become involved in the school's evaluation of its programme. Parents should encourage their sons to avail of the numerous opportunities offered by this unique programme.

- They will be monitored until the end of the academic year - Some students will be informed that their attendance/behaviour/motivation/participation/homework etc. will be monitored
