

30th November, 2020.

Dear Parents/Guardians

In response to the demand from our exam students and their parents, the College is once again offering **Supervised Study during the Christmas Holidays**

The details are as follows (4 days):

Tuesday 29th, Wednesday 30th, Thursday 31st December and Friday 1st January 2021

It will consist of 2 Study sessions each day;

10am to 12.30pm and again 1.30pm to 4pm

(1 hour for lunch and students to organise their own lunch)

We would encourage the students to do both sessions each day totalling 8 sessions for the 4 days (20 hours). However, the minimum a student can sign up for is 4 sessions in the week, agreed in advance.

To cover expenses, there will be a **non-refundable fee of €20** for the week. (No discounts for reduced sessions).

Normal school rules will apply but the wearing of the uniform is not required. Students must arrive 5 minutes early before each session. Mobile phones and ipods etc. are to be turned off and no eating in the Study Rooms will be permitted. Any disruptive behaviour will not be accepted and the student will be asked to leave. Contact will then be made with home.

If you wish for your son to avail of this Christmas Study, please submit the €20 fee in an envelope with the Application Form attached. Places will be issued on a first come first serve basis as there are a limited number of places. Adequate social distancing will be in operation in all Study Centres.

This form needs to be handed into either Mr. Barrett's Room (C2) or the Principal's Office by Friday 11th December 2020.

Yours sincerely

David Quilter

Principal
