

Re: AGM of St. Munchin's College Parents Association Nov 2022

Dear Parents/Guardian,

The AGM of the College's Parents Association will take place on Monday 14th November, 2022 at 7.30pm in the College Assembly Hall. We would encourage you to attend this meeting if at all possible.

Also included is a **Parent's Activity Form** for those who may be interested in getting involved in the Parents Association in any way this year.

Please indicate by placing a tick after any or all of the mentioned activities in which you would be interested. This form can be returned to the Principal at your earliest convenience.

A special appeal is being directed to parents of our new students to involve themselves in the Parents Council.
